<b>Wine makers notes</b>	<i>The grapes for the Tempranillo are sourced from the Martin Family Vineyard in Adrian Oregon across the Snake River from us. We were able to do a basket press in 2006 due to the small amount of fruit. This method gives a more gentle press giving better flavor extraction and softer tannin structure.</i>

*This wine has some rustic earthy flavors which nicely compliment the fruit in the background. Dirty and earthy this wine is an easy favorite with dark cherry alongside leather, coffee bean, and herbs. The softer tannins make this Tempranillo more approachable than the traditional Tempranillo to some. Also the terroir of our ancient riverbed soil lends a softness to the fruit.*
