Wine makers notes	<i>Because of the ideal ripeness and full flavor we chose to use a higher percentage of new oak barrels in 2007. Extended lees contact with frequent stirring makes for a creamy and full mouthfeel.</i>

The 2007 Chardonnay has notes of vanilla, oak, and tropical fruit. There are plenty of complex layers ranging from honeysuckle to butterscotch. The toasty oak is present both in the nose and on the palate. This wine is ideal for enjoying by itself, with roasted chicken, salmon, or a white cream pasta sauce.
