

2008 Riesling

Vintage/ harvest	October 15th 2008
Varietal composition	100% Riesling
Brix	23.8
TA	0.72
PH	3.42
Alcohol	11%
Awards	West Coast: Silver Northwest Wine Summit: Silver
Wine makers notes	<i>Keeping consistent with our established semi-sweet, Spatlese style, the '08 has significant minerality reflecting the Arena Valley Vineyard terroir, balanced by honey texture. Our Riesling is harvested late in the season from a low lying block of the estate vineyard insuring rich, full flavor. Fermented at temperatures below 55 degrees over three weeks with minimal racking the fruit is unbelievably expressive.</i>

This is our most popular Riesling, having a long smooth finish with peach and honeyed apricot aromas. The texture is soft, lean, and nicely balanced by pink grapefruit notes and steely acidity. This is a personal favorite with Thai food, also chips and salsa, your favorite salad, or any other Asian food.
