<b>Residual Sugar</b>	1%	Dry	Dry

*Wine is often over analyzed. At the Afternoon Wine Co. we believe in wines that are meant to be twisted open, poured and gulped (responsibly, of course). No deep discussion of texture and tannin, body or bite. These wines are meant to be enjoyed with friends and great conversation.*

*Afternoon Wine Co. wines use a blend of grapes to ensure a food-friendly, approachable, all-purpose wine.*
